**Survivor Quotes Video Pullouts (sample)**

*Timothy was on the Greyhound bus when a passenger beside him attacked and killed him. My son’s body was desecrated. If I can prevent one other family from having to go through what my family and I have experienced then it will be a well-fought fight and a worthy one*  
—Carol de Delley

*Had I not left that day it wouldn’t be the Surrey Six it would be the Surrey Seven. These people walked to the door steps of my home and stole my son’s innocent life*  
—Eileen Mohan

*Robert Pickton made the Downtown Eastside of Vancouver his hunting ground and my sister lived in the Downtown Eastside. Her death affected us profoundly...Rather than sit at home and live with the grief that still follows me, still haunts me, I decided I’d do something about it*  
—Ernie Crey

**About Aftermath of Murder Series**

Created and produced by Brent Stafford & Christopher Ducharme *Aftermath of Murder* provides viewers an inside look at the issues facing homicide survivors. For the general public their only experience with murder is vicarious, through fictional stories in film & television and via the real-life sensational details covered in the news. *Aftermath of Murder* expands the story and opens a dialogue

between survivors and the public—who rarely get a full picture of the victim and almost never any true understanding of the terrible emotional impact on the survivors of murder.

### **Partner Organizations**

*Aftermath of Murder Survivor Stories* is a joint-project between the B.C. Victims of Homicide and corporate partner Shaky Egg Communications Inc. National partner organizations for Season 2 include:

***The Manitoba Organization for Victim Assistance (MOVA)***
